Current Changes

Dear Reader,

We appreciate you taking time out of your day to read this document. But over the course of the 21st of September up to the start of October, you will expect some major, minor or medium changes around the server.

Such as;

- Rebrands
- Notices
- Announcements
- More website gained aspects

You will also get to see teasers of the site and what the average school day will be like. We will greatly appreciate you guys for sticking with us, applying for vacancies [here](#) and we will get back to you regarding it.

Again, it would be so much if you stuck around, supported us and helped us out wherever, this can be verbal support, promoting us about, volunteering to help out through a vacancy. Much more!

Kind regards,
Mr M Langstaff,
Senior Leadership Team,
Churchill Community College
