Suspension Notice

Dear Mr. Chambers,

In light of recent developments and evidence presented, we are writing to inform you that we have resorted to the inevitable step of placing you on suspension pending our investigation into the matter.

It is a pity that things have had to come this far. Without the full disclosure of all the chat logs pertaining to Article 1 and Article 2, we cannot reinstate your role in the Senior Leadership Team.

Your unwillingness to provide the requested evidence of these chat logs, as requested, is weakening your position within the school. Therefore, the period of suspension will be indefinite until such time as evidence is produced.

You may provide the evidence through your ticket or via email at:
churchillcommunitycollegerblx@gmail.com.

Thank you for your attention to this matter.

Yours Sincerely,
Mr. M. Langstaff
Board of Governors
Churchill Community College
